There are two logos for Nominet Members to use - one landscape and one portrait. Our members are free to use whichever version works best for their application.

The blue box indicates the mandatory **Clear Space** around the logo. This area must be kept free of other elements. The minimum required clear space is equal to the width of the letters O and M in our wordmark.

The **Nominet Member** logos are supplied only in Nominet teal and grey. Do not alter the colours of the logos.

The minimum size for the portrait logo to be reproduced at is 20mm wide for print and 100px wide online. The minimum size for the landscape logo to be reproduced at is 27mm wide for print and 140px wide online.
